GOVERNMENT OF TRIPURA
Abhoynagar , Agartala, West Tripura.

File. No. 7(22)SCERT/Research/2020/   Date –July............,2023

Invitation for Applications: Research/Action Research in School Education

State Council of Educational Research & Training (SCERT), Tripura is pleased to announce an exciting opportunity for College Teachers, Teacher Educators, Headmasters and School Teachers of Tripura to undertake research/action research projects on the pressing issues of school education of Tripura with a view to bring positive changes and innovative solutions that can transform the learning experience of the students.

Project Details:

Research Areas: The research projects should focus on addressing issues related to school education, such as curriculum development, pedagogical practices, student assessment, inclusive education, educational technology, teacher training, Teacher education or any other relevant area.

Funding: State Council of Educational Research & Training (SCERT), Tripura will provide full financial support for the selected projects, including research grants, resources, and necessary assistance.

Duration: The duration of the research projects can range from 6 months to 1 year, depending on the nature nd scope of the proposed study.

Eligibility Criteria:

a. **College Teachers:** Faculty members from recognized colleges/universities with a minimum of 5(five) years of teaching experience.

b. **Teacher Educators:** Professionals engaged in teacher training institutes or in SCERT with expertise in pedagogy and curriculum development along with at least 05 years experience.

c. **Headmasters:** Minimum 05 year experienced Headmasters/Principals from reputed schools in Tripura.

d. **Teachers:** Teachers working in primary, upper primary, secondary, or higher secondary schools, with a genuine interest in research and innovation with at least 07 years experience.

Application Process:

Interested candidates are requested to submit their applications, including the following documents:

i. Updated curriculum vitae (CV) highlighting relevant experience and qualifications.

ii. Research proposal (maximum 1000 words) outlining the title of research, objectives, methodology, expected outcomes along with tentative budget proposal.

iii. Any supporting documents showcasing previous research work (if applicable).

Applications should be sent via email to **directorscerttripura@gmail.com** no later than **07/08/2023**. Shortlisted candidates will be contacted for further assessment and selection by the Research Committee of SCERT, Tripura.
